Motor Acceptances  
Motor Fleet

# Who we are

---

Motor Acceptances is a specialist motor fleet underwriting agency, offering various incentive based options in the motor fleet market. The company was established in April 2000, and collectively has 30 years of experience in the motor fleet market.

Motor Acceptances differentiates themselves through, exceptional client service and claims handling. This is supported by a proven underwriting philosophy and strong market relationships.

## Our products

---

Motor Acceptances offers tailor-made fleet insurance solutions for clients which typically come in one of three forms:

- Burning Cost Structure
- Conventional Structure
- Aggregate Structure
