# Who we are

Lombard Partnerships is a collective of highly specialized and professional underwriting operations, servicing predominantly the commercial and corporate short-term insurance market.

Each of our Partner's is a market leader in their class of business, complementing Lombard's approach of offering high quality insurance products and service on the back of our sound security.

For more information or a discussion on how Lombard can support you in delivering a complete insurance offering to your clients, please contact us or our Partner's directly.
